

**NOTICE OF CONSTRUCTION AND
PUBLIC DROP-IN CENTRE**

PRINCETON WATER SYSTEM

Oxford County has awarded a contract to TriCon Excavating Inc., London, Ontario, for the construction of a transmission watermain from Drumbo to Princeton, and a water distribution system within Princeton.

A public information centre (PIC) for this project is scheduled for:

**Tuesday, March 23, 2010
7:00 p.m. - 9:00 p.m.
Princeton Centennial Hall – 39 Main Street, Princeton**

TriCon Excavating Inc. may be on site as early as March 8th, however, construction within the community of Princeton isn't anticipated until mid-May, 2010.

During construction, there may be short periods of time when residents will not have access to driveways during the daytime hours, but we will endeavor to provide access to driveways during the evening and weekend periods.

If you have questions on this project, please contact the undersigned.
